

# Challenger Learning Center-St. Louis Summer Camps

## Young Astronauts

**Age:** Students having completed 3rd or 4th grade

**Dates:** Session 1: June 15-19  
Session 2: June 22-26

**Time:** 9 a.m.-2:00 p.m.

**Cost:** \$185

Young astronauts will build and launch a model rocket, complete astronaut training activities and go on a mission to the International Space Station. In addition, they will learn how people travel into space and what happens to their bodies once they get there.

## Astronaut Training Camp

**Age:** Students entering 5th - 8th grades

**Dates:** Session 1: July 6-10  
Session 2: July 13-17

**Time:** 9:00 a.m.-3:00 p.m.

**Cost:** \$210

Participants in the Astronaut Training Camp will experience activities similar to NASA astronauts and engineers in training. They will compete in rocket launch and design challenges, experience two simulated missions to space and participate in hands-on learning activities about the moon, Mars and comets. Astronauts in training will also design, build and "live" in a Mars colony!

All camps include a 2009 Summer Space Adventures t-shirt!  
Before and after care is available for all camps

Call 314/521-6205 or

for a registration packet  
or to learn more.

205 Brotherton Lane  
Ferguson, MO 63135

## Advanced Astronaut Training Camp

**Age:** Students entering 5th - 8th grades  
(must be at least 10 years old by first day of camp)

**Dates:** Session 1: July 20-24  
Session 2: July 27-31

**Time:** 9:00 a.m.-3:00 p.m.

**Cost:** \$250

In this unique and engaging camp, participants will experience what it would be like to train as a real NASA astronaut. Activities will include mental and physical challenges as well as design competitions. In addition, advanced astronauts will learn basic SCUBA diving skills that will enable them to participate in a one-day underwater astronaut training program. SCUBA training and gear are included in this camp.

note: SCUBA participants must be at least 10 years old and medically fit to dive. Additional forms are required to register for this camp, which are available online at [www.clcstlouis.org](http://www.clcstlouis.org).
