

Challenger Learning Center-St. Louis Girl Scout Programs

2011-12

Brownies

Space Scientist Our Own Council Badge

Become a space scientist for the day at the Challenger Learning Center. Participants are engaged in a hands-on simulated space mission where they get to perform activities similar to astronauts and scientists on board a space station. Other activities include designing a mission patch, making a space station, and building rockets. Program lasts four hours.

Cost: \$20/Girl Scout on public workshop days or \$500 for a private workshop.*

Dates: September 17, 2011, October 8, 2011
November 5, 2011, November 26, 2011
January 7, 2012, February 18, 2012*
March 3, 2012, March 31, 2012, April 28, 2012

Time: 9:00 a.m. - 12:00 p.m.
12:30 - 3:30 p.m.

*One session from 12:00 - 3:00 p.m. on Feb. 18th

Juniors

Space Traveler Our Own Council Badge

Become an experienced space traveler right here on Earth! Learn about Mars, comets, or the Moon, make plans for your journey, and apply your new knowledge by flying a simulated mission to space. Program lasts four hours.

Cost: \$25/Girl Scout on public workshop days or \$650 for a private workshop.*

Dates: September 24, 2011*, October 22, 2011
November 19, 2011, December 10, 2011*
January 14, 2012, February 25, 2012
March 24, 2012

Time: 9:00 a.m. - 12:00 p.m.
12:30 - 3:30 p.m.

*One session from 12:00 - 3:00 p.m. on Sept. 24th
One session from 12:30 - 3:00 p.m. on Dec. 10th

Cadettes/Seniors

Highlights include a hands-on simulated space mission where scouts will experience activities similar to those performed by NASA astronauts, scientists, and engineers.

Cost: \$25/Girl Scout on public workshop days or \$650 for a private workshop.*

Dates: October 29, 2011, December 10, 2011

Time: 12:00 p.m. - 3:00 p.m. on October 29th
9:00 a.m. - 12:00 p.m. on December 10th

Scout Overnight Program

Spend the night in the Challenger Learning Center and become an experienced space traveler right here on Earth! Learn about working and living in outer space while flying a simulated mission to Mars. Junior Girls will complete all of the requirements to earn their Space Traveler Badge. Activities include learning about the different types of aerospace jobs, applying for and training for a job on the crew of the *Voyage to Mars™* simulated mission, and an animated space movie and popcorn before lights out! Program is available to Juniors, Brownies, and Cadettes.

Cost: \$45/Girl Scout on public workshop days or \$850 for a private workshop.*

Dates: November 10-11, 2011
April 20-21, 2012

Time: 7 p.m. - 7 a.m.
